WHO WE ARE

The California State Sheriffs' Association (CSSA) was established in 1894. For over 100 years, we remain the only professional law enforcement organization that serves as a unified collective voice on matters of public safety for the 58 elected Sheriffs of California. The sheriffs have full control and direction of all association operations and activities.

PURPOSE

The Association was formed with the purpose of sharing resources, information, and providing assistance to Sheriffs and their office personnel, thus enabling them to improve the delivery of law enforcement services to the citizens of California. CSSA also functions as a legislative watchdog for sheriffs and their personnel on public safety issues.

GOALS

- Update and expand knowledge of modern law enforcement practices and technology, and provide education training to sheriffs' personnel.
- Develop and maintain programs, policies and procedures that will enhance public confidence in the sheriffs' criminal detection, prevention and apprehension capabilities.
- Reinforce relationships at the state level with the governor, attorney general, state legislature and other state officials as to the needs, requirements, resources and duties to enable the sheriffs to provide effective and efficient law enforcement services in their counties.
- Jointly address the unique problems of all California Sheriffs and resolve the challenges collectively through the association and meetings of all sheriffs.
- Support the role of the sheriffs as the chief law enforcement officer in each county.

WHO SHOULD JOIN?

CORPORATIONS WHO WANT TO FORM PARTNERSHIP WITH CALIFORNIA'S 58 ELECTED SHERIFFS CAN APPLY TO JOIN CSSA'S CORPORATE 100 PARTNERS PROGRAM.

MEMBER ANNUAL DUES ARE \$2,500.

The Corporate Partners Program provides corporations with a unique advantage because this is the only program that provides a one-on-one forum where corporations and Sheriffs can exchange information and collaborate on law enforcement issues. It provides corporations with the opportunity to showcase their latest products and services on a more intimate level with the Sheriffs and key decision makers. The many personable networking opportunities allow you to build strong relationships with the Sheriffs.

Our Mission:

TO SUPPORT THE ROLE OF THE SHERIFF AS THE CHIEF LAW ENFORCEMENT OFFICER IN EACH COUNTY AND TO SPEAK AS A COLLECTIVE STATEWIDE VOICE ON MATTERS OF PUBLIC SAFETY
